

WHAT DOES NETWORK MANAGEMENT HAVE TO DO WITH WAR?

YOU HAVE THE MOST
CHALLENGING TASK IN
THE ORGANIZATION:
DELIVERY OF A
WELL PERFORMING
NETWORK... IN AN
ENVIRONMENT WHERE
THE ENEMY IS OFTEN
UNKNOWN, INVISIBLE,
AND PERSISTENT.

In a perfect world, you would have all the highly skilled and experienced personnel you need. You would know precisely where problems were brewing and how to quickly determine their causes before disaster strikes.

A Philosophy
for Employing
Intelligence
in Monitoring
Network
Performance
